

GSCID Improving our environment

NOTICE OF THE ACCEPTANCE BY THE CITY OF CAPE TOWN OF OUR APPLICATION TO ESTABLISH A SPECIAL RATING AREA (SRA)

Dear future members of the GSCID, colleagues and friends

It is with special thanks to those of you who gave us their support by means of your consenting vote, that I am pleased to inform you that we have successfully negotiated our first major challenge. Our official application accompanied by the majority of supporting votes was accepted by the City on 25th of last month.

The fact that this was achieved in only fifteen working days after our Public Meeting, held on 4th February, is a great encouragement to us. Therefore on behalf of UCT who have motivated the formation of the GSCID and of our Steering Committee, I want to thank you for your support and interest.

The situation is that until 9th April there is a period for objections to be submitted in writing to the City's SRA Compliance and Establishment office. Thereafter certain administrative tasks need to be completed by the City before hopefully our application is accepted at a full sitting of the City Council, due to be held in June. We hope therefore to commence operations in July.

With grateful thanks and appreciation once again

Sincerely yours for improving our environment

A H V Davies
Co-ordinator
